

UNITED STATES DISTRICT COURT  
WESTERN DISTRICT OF WASHINGTON  
AT SEATTLE

NINA FRENCH,

Plaintiff,

v.

WASHINGTON STATE  
DEPARTMENT OF HEALTH, et  
al.,

Defendants.

CASE NO. C15-0859JLR

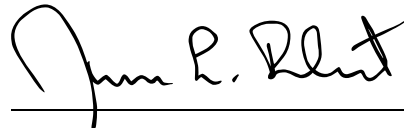

ORDER OF DISMISSAL

On January 25, 2017, the court dismissed *pro se* Plaintiff Nina French's complaint without prejudice and granted her 14 days to amend that complaint. (1/25/17 Order (Dkt. # 32).) The court found that Ms. French had not met her burden of establishing the court's subject matter jurisdiction (*id.* at 7) and had not made sufficient factual allegations to state a claim under Title VII of the Civil Rights Act, the Americans with Disabilities Act, or Washington law (*id.* at 8). Despite these deficiencies and in light of Ms. French's *pro se* status, the court granted Ms. French 14 days to amend the complaint.

1 (*Id.* at 8-10.) The court cautioned Ms. French that her failure to timely amend the  
2 complaint or remedy the deficiencies identified in the court's order would result in  
3 dismissal without leave to amend. (*Id.* at 9.)

4 Ms. French's deadline to file an amended complaint passed on February 8, 2017,  
5 and she has filed nothing further in this matter. (*See* Dkt.) Accordingly, the court  
6 DISMISSES this case WITH PREJUDICE.

7 Dated this 13th day of February, 2017.
